By: Tina Sutton

This is a fun, quick and easy gift bag to make. It only takes half a sheet of an 8 1/2"x 11" piece of paper to make this bag. Surprise your friends with this bag and you are guaranteed to receive a smile.

1. Stamp your 1/2 sheet of cardstock (8 1/2 x 5 1/2)
2. Score your cardstock at the 2", 4", 6" and 8". See Figure 1
3. Score your cardstock 1 1/2 inches from the bottom. See Figure 1
4. Crease all of your folds.
5. Cut from the bottom up to the 1 1/2 inch line. See figure 2.
6. Use Mono Adhesive or a strong glue on the 1/2 edge. (on the stamped side) See Figure 3
7. Fold squares in to make the bag bottom. Secure with tape or glue.
8. Pinch the bag top, creasing in the sides a little. Punch holes and add ribbon!
