Additional Items/Instructions: Sandpaper, Tape, Scissors

Scissor Distressing

Open your scissors all the way. Hold your paper of choice in one hand. In the other hand, hold your scissors so that one sharp edge is toward the paper. On the edge of the paper, scrape the scissors back and forth along the paper so the white core is exposed, as desired.

Swiping

Hold the ink pad in one hand and the paper in the other. Swipe the ink pad across the paper, as much or as little as desired. Repeat on sides and/or edges of the paper.

Sandpaper Distressing

Rub your sandpaper along the cardstock in a vertical direction, exposing the white core as much or as little as desired. Rub the sandpaper along the cardstock in a horizontal direction, exposing the white core as much or as little as desired.

Assembly Instructions:

[1] Fold the 7" x 8" Autumn Terracotta CS in half, creating a top fold card measuring 3 1/2" x 8".

[2] Using the Coluzzle® supplies, make a small file folder from the 4" x 2 1/4" Autumn Terracotta CS. Make a 3/8" cut on the front left side. Fold up the corners. Scissor distress the edges.

- [3] Adhere the 1" x 2" Stripe B&T to the inside of the file folder, so the paper is peeking through the folded corners.
- [4] Using Chocolate ink, drag the hemp across the ink pad to distress the hemp with ink.
- [5] Using Chocolate ink, swipe the edges of the 2 1/4" x 7 1/4" Bamboo CS, the 2 1/2" x 7" Distressed Olive B&T, and the file folder.
- [6] Using Autumn Terracotta ink, stamp the letters for the word "thanks" in the center of the six 1" x 1" Bamboo CS. Trim around letters. Scissor distress the edges.
- [7] Using Autumn Terracotta ink, swipe the petals of the Just Blooms™ flower.
- [8] Sandpaper distress the edges of the front of the card.
- [9] Scissor distress the edges of the 3 1/4" x 7 3/4" Stripe B&T paper. Adhere to the center of the card front.
- [10] Adhere the 2 1/4" x 7 1/4" Bamboo CS to the center of the Stripe B&T paper. Adhere the 2 1/2" x 7" Distressed Olive B&T paper to the center of the Bamboo CS. Roll the top right corner of the mat.
- [11] Tape the ends of the two 5" hemp pieces to the left side of the mat. Tape the ends of the two 8" hemp pieces to the right side of the mat. Tie in a knot about 2 1/2" from the left edge of the mat. Adhere the mat to the center of the card front.
- [12] Adhere the file folder to the left of the card, over the hemp.
- [13] Adhere the pieces to the word "thanks" to the right of the file folder, just below the hemp.
- [14] Tie the 2" hemp in a knot, so the knot is in the center of the hemp. Thread the two ends through the center of the flower, so the knot remains on the front. Trim the ends and secure to the back of the flower. Attach the flower to the front of the file folder.
