## Assembly Instructions:

**Paper Rolling:** Hold the paper in one hand. With the thumb on the opposite hand, gently push the edges and corners of the paper inward creating mini rolls or ripples along the edges of the paper. Repeat as desired.

**Stubble Tool Texture:** Dab the Stubble Tool on the stamp pad to load with ink. Dab the Stubble Tool on the paper in a circular motion or in a crisscross pattern. Repeat as desired.

- [1]** Fold the 4 ¾" x 6" Vanilla Cream CS in half, creating a side-fold card.
- [2]** Using the Chocolate ink and the "You Make My Day Bright" image, stamp the image on the solid side of the 1 ¼" x 1 ¼" Small Flower B&T Duos™ paper. Trim around the circle and roll the edges. Adhere the circle to the center of the 1 ½" x 1 ½" Chocolate CS. Trim around the circle, leaving a small border, and roll the edges.
- [3]** Using Chocolate ink, stamp the small solid circle on the solid side of the ¾" x ¾" Stripe B&T paper. Trim around the circle, leaving no border. Adhere the circle to the center of the sentiment mat with the stripes face up.
- [4]** Using the Black Stubble Tool and the Chocolate ink, distress the sides and edges of all of the CS and B&T papers.

- [5]** Using the paper rolling technique, roll the edges of all of the CS and the B&T papers.
- [6]** Adhere the 4  $\frac{3}{4}$ " x 1  $\frac{1}{2}$ " Small Flower B&T paper to the left side of the card, flush with the folded edge.
- [7]** Adhere the 4  $\frac{3}{4}$ " x 1  $\frac{3}{4}$ " Stripe B&T paper to the right side of the card, flush with the open edge and slightly overlapping the Small Flower B&T paper.
- [8]** Loop the two strands of natural hemp through either side of the spiral clip, like a bookmark.
- [9]** Position the 4" hemp strand toward the bottom part of the card, so that the spiral clip is about 1  $\frac{1}{4}$ " from the bottom edge. Wrap the excess from the 4" hemp strand to the inside of the card and tape to secure.
- [10]** Position the 7  $\frac{1}{2}$ " hemp strand along the center of the card and wrap the excess around to the inside of the card and tape to secure.
- [11]** Adhere the 1  $\frac{1}{2}$ " x 1  $\frac{1}{2}$ " Vanilla Cream CS to the center of the 1  $\frac{3}{4}$ " x 1  $\frac{3}{4}$ " Chocolate CS. Adhere the sentiment to the center of the mat, with the mat positioned like a diamond. Attach the 3-D foam square to the back of the mat. Attach the mat to the top portion of the card, about  $\frac{1}{4}$ " from the top edge. (Note: the bottom point of the mat should be about  $\frac{1}{4}$ " from the spiral clip.)
